GENESIS 1:28

**MULTIPLYING WHO WE ARE WITHOUT
COMPROMISING WHO WE ARE.**

We make and mobilize disciples in an environment of prayer and worship.

GOSPEL

We tell people the good news, not just good advice.

COMMUNITY

We open up our Bibles and open up our lives.

MISSION

We take personal risks to bring Christ to every relationship.

TRUTH

We tell the truth because it sets people free.

STEWARDSHIP

We are all in with our time, talents, and treasure for
the kingdom of God.

Two Cities Family,

This month marks our 8th anniversary as a church! It's often said that we overestimate what God can do in a year and underestimate what he can achieve in a decade. We have so much to celebrate as we approach ten years of ministry, mission, and mercy.

We've witnessed 662 baptisms, given away over \$2.7 million through our annual Hold the Rope Offering, and worshiped in three locations: Goler, Northwest Boulevard, and now Industry Hill. By God's grace, we've grown to over 150 Community Groups throughout our city.

Sometimes, the greatest hindrance to future progress is past success, and that's the last thing we want. We are not content being a beautiful but stagnant lake. God has called us to be a mighty river — dynamic and forward-moving. We genuinely believe the greatest works of the Spirit are still ahead of us (John 14:12). That's why we are excited to announce the Multiply Initiative, a commitment to multiply disciples, leaders, groups, and churches, inspired by God's first blessing and command to humanity: "Be fruitful and multiply" (Genesis 1:28a).

Our prayer for the next 16 months is that everyone in our church will multiply what God has given them for his glory and the good of others. This biblical theme will guide our lives and church in the coming season, and we believe we will all emerge stronger because of it.

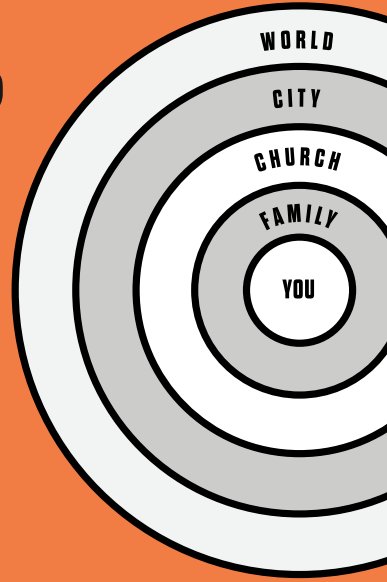

I invite each of you to be all-in during this initiative. This is your moment to multiply, not to miss out.

On the journey with you,
PASTOR KYLE

WHAT IS MULTIPLY?

The Multiply Initiative is a 16-month journey to multiply all God has given us for his glory and the good of others. We want to see multiplication at every level, starting with you, the individual members of our church family. This type of commitment has ripple effects that transform our families, impact our church, reach our city, and extend to the ends of the earth.

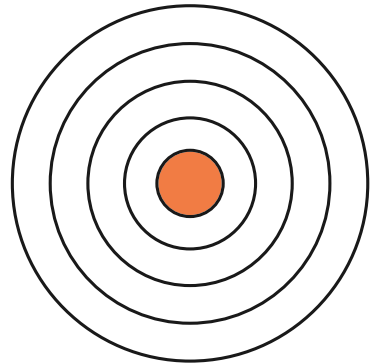

Multiplying at Every Level.

YOU

A commitment to multiply what God has given you

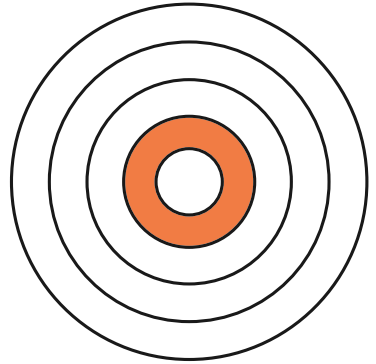

- We will discover or rediscover the spiritual disciplines.
- We will take personal risks to bring Christ to every relationship, ONE person at a time.
- We will put God first in our finances and be faithful stewards of all he has given us.
- We will deepen our discipleship through DNA and Community Groups.

FAMILY

A commitment to multiply the vision and values of God's Word in our homes

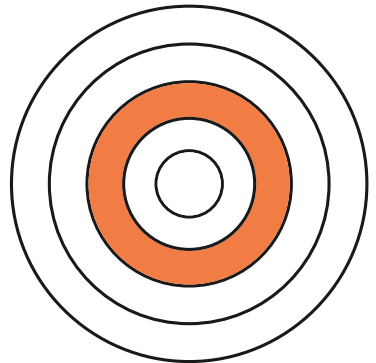

- We will see the home as our first mission field and first church.
- We will strengthen marriages by equipping and empowering couples to grow in Christ together.
- We will deepen and develop ministry to men and women in our church.
- We will equip parents to deal with the unique challenges facing the next generation.

CHURCH

A commitment to multiply discipleship, community, and care within our church

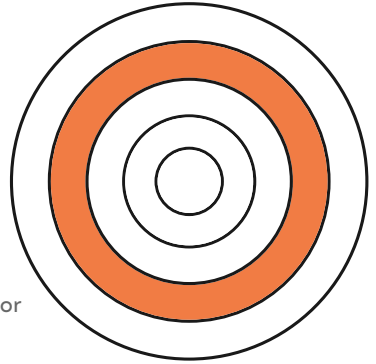

- We will deepen and develop our environments of prayer and worship.
- We will expand and enhance all of our age and stage ministries.
- We will be a place where people go from lost or lukewarm to leading.
- We will create new environments where people will experience the hope and healing of Christ.

CITY

A commitment to multiply the grace and truth of Christ in our city

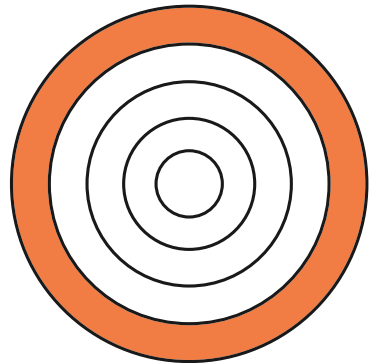

- We will love and care for those who love and care for our city.
- We will be a voice for the unborn, the fatherless, the prisoner, and the poor.
- We will launch campuses all over the region to keep the church local.
- We will expand our reach on the college campuses in our city.

WORLD

A commitment to multiply our obedience in sending

- We will become known for our sending culture and capacity.
- We will discover, develop, and deploy people to go into the harvest.
- We will move from partnering to parenting church plants.
- We will deepen and expand our global partnerships.
